## Old Business:

- a. Elections for new SAC before the end of the year. Three leaving. Size of SAC determined by enrollment. New SAC elections April 9<sup>th</sup> meeting. Solicit and advertise on Panther Press. Ask SGA to start organizing and publicizing a student vote.
- b. Live Streaming. Still in Okinawa to be shipped. To be installed summer 2025. EDA to do live-streaming.
- c. Specified volunteer background checks. 30-90 days. Is the process improving? Does it transfer between schools? Bases? Dr. V. thinks if folks are in the system they can transfer the approval. Still need to initiate at the new school. Continue to monitor.
- d. SAT/ACT schedule. Keep on until next year to ensure we offer all dates. Especially the August 2025 SAT.
- e. Credit for PE. Will submit for SY 26-27. Some tech difficulties with the current form in possession. Deadline for 26-27 by October 2025. There will be some logistical hurdles. We will submit and see what DODEA says needs to be done to make it happen. Will try to get the request in before April 9<sup>th</sup>. We have an example of how a school district in the USA executes Sports for credit.
- f. Class ranking on transcript. Junior second semester, senior both. We are requesting the denominator be put on the transcript. DSO says that can be done by the principal on a case-by-case basis on applications. Difficult number to calculate because of our high levels of transience and variation in population. Unsure if it is a technical issue or a philosophical objection. Will appeal and bring up at PEDAC. Short-term fix: our administration could attach a document with rank upon request. Request update in Panther Press for students requesting information for college applications.
- g. Lockers: Request the installation of lockers in the main building. Considered having gym lockers re-purposed, but not feasible. Lockers in the old building are available. YHS admin will ask for end-of-year funding since there is not enough money for the purchase with existing funds. Hopefully will hear by the end of this school year or in the fall prior to fiscal year close out. Will put cost and locker numbers on official minutes.

**New Business:**

- a. Request a proposal for departure times revision, and Wi-Fi on buses. This was brought up at the last meeting, but a proposal was never submitted. One update, the WIFI proposal is already at the PEDAC level.

**Open Forum:**

Please limit presentation of issue to 2 minutes. For proposals, they must be in written format.

- a. Rumors of course cutting, particularly AP Psychology. Will the course be cut? Will this year's testing take place? Dr. V.: At this time, the status quo is in place. Unknown if changes will be required based on executive orders.
- b. Recurring agenda item: Dr. V. talked about increasing test scores and School Action Plans to improve. Student of the Month, Teacher of the Month, AVID/WICOR, instructional rounds. Panther Press, Pathfinder.
- c. Base exercise noise impacted students SAT School Day. Is it possible to coordinate the SAT School Day and the base exercise? Dr. V.: put on the after-action report to try to ensure that they do not conflict again.
